

Hello, my name is Jennifer Galvan and I am the College Adviser from Advise TX for the academic year 2017-2018. I am very excited to start working with the students here at MacArthur High School and to become part of the family. I am looking forward to collaborating with the faculty in educating and motivating the students about going college, or any other post-secondary plans the students may have. My purpose is to make the process of applying to college easier as well as helping students find the financial aid necessary to accomplish their goals.
